In the response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures mailed July 2, 2007, a copy of which is attached hereto, Applicants enclose herewith a computer readable form and a paper copy of the "Sequence Listing" and a statement that the content of the paper and computer readable copies are the same.

The Undersigned states that the sequence listing submitted herewith is identical to the sequence listing filed in connection with the parent PCT/US2003/029185 application and thus does not introduce new matter.

Please insert the attached sequence listing into the application.

Respectfully submitted,
